### Announcement

This herd was started about 40 years ago, when our father bought his first Scotch Shorthorns from Canada. He purchased the best at that time. We have continually improved our herd sires ever since.

He bought a carload of Scotch Shorthorns from Carpenter and Ross at Mansfield, Ohio. He paid nothing less than \$1000 for each animal. He purchased Imported Edgcote Broadhooks as herd sire, who was undefeated in class at seven leading state fairs and fifth in class of twenty bulls at the International in 1920.

Other herd bulls such as Helfred's Masterpiece, son of Sni-A-Bar Golden Ring, was five times champion in 1918.

Sni-A-Bar Lovely Laird, sired by Imported Cluny Clarendon, was one of the best imported breeding bulls that came to this country. He sired a bull that stood second to the Grand Champion at the International in 1939.

We then purchased West Hatton Magnet at the International Sale in 1942. He was a very good bull, just hard to beat.

Our present herd sire, Gold Hero, is a grandson of a \$7,000 Supreme Goldfinder all you stock men should be familiar with.

This concludes a brief summary of the history of the herd.

We regret that we must have this dispersion sale, because of illness of one member of the firm.

We extend a cordial invitation to all lovers of Shorthorns to be with us on Friday, September 28th.

Lunch served on grounds.
